Mayfield Grammar School, Gravesend

Mayfield Grammar School, Gravesend is a selective girls' school with boys in the sixth form which is situated in the town of Gravesend, with easy access to the A2 and M25 and a direct rail link to Charing Cross. In February 2012 we converted to Academy Status and the school celebrated its Centenary throughout 2014/15.

The school occupies two sites. One houses the original 1926 building with its distinctive quadrangle and bell tower, surrounded by its playing fields. The other has specially designed facilities for Technology, Sports and Drama opened in 1995. There is ICT provision on both sites and a Learning Resources Centre on the main site.

The school is an 11-18 grammar school. Entry at age 11 is via the Kent 11 plus selection procedure comprising nationally standardised Verbal, Non-Verbal and Mathematics tests. The procedure allows admission of the top 25% of the ability range. An optional additional opportunity to assess eligibility for admission is available through the Mayfield testing procedure.

The school was judged to be Outstanding by Ofsted in June 2013. Ofsted reported that "achievement in all subjects including English and Mathematics is exceptionally high" and that "The behaviour of students is exemplary. They engage enthusiastically with their learning, are courteous, polite and keen to contribute fully to the life of the school".

We are an outward looking school determined to provide the highest quality education by capitalising on opportunities available to the school. We work as a team where the contributions of all the staff are equally valued. We place major importance on providing new staff with an effective induction into the school and all staff are constantly seeking to improve their professional practice through external and internal training. Governors, parents and the community are extremely supportive of the work of the school.

The Senior Team consists of the Headteacher, a Deputy Headteacher and three Assistant Headteachers. There are five Faculties: English (including Drama and Media Studies), Mathematics (including Computing and Economics), Science, Modern Languages and Humanities. Art, Technology, Music and Drama are also taught throughout the school. Pastoral care is via Learning Leaders, working with Form Tutors and supported by Key Stage Co-ordinators. A House System was introduced in September 2013. Merit points are given to students during the year and the Aster Trophy is awarded to the House with the most points overall.

The teaching staff are supported by Administrative Staff in the main office, a Reprographics Assistant, Librarians, Finance staff, an Assessment Officer, a Cover and Examinations Officer, a Pastoral Support Manager and a team of Technicians. A Premises Manager, supported by two assistants, looks after the two sites.

The curriculum follows National Curriculum guidelines. All students have the opportunity to gain ten or eleven GCSEs at the end of Year 11.

There are circa 1130 students on roll, 266 of whom are in the Sixth Form.

From 2018, we expanded the Pupil Admission Number (PAN), to 180. For the last three years, the school has admitted above PAN. We are currently undergoing an extensive rebuilding programme on both sites, to accommodate the rising roll.

Extra-curricular activities include a full sporting programme, choirs, orchestras and other club activities. A large number of students participate in the Duke of Edinburgh Award scheme. There are Conferences, the Graduation Ball and discos for students run in conjunction with Gravesend Grammar School. The school enjoys strong links with the local business community and runs a full Careers support programme. The school runs an extensive programme of trips and visits both home and abroad for all year groups.

Mayfield Grammar School, Gravesend is a happy community where relationships are exceptionally good.

This is a non-smoking school.
