Dear Parents/Carers,

## Year 9 & 10 – Geography GCSE Revision guides and exam support workbooks

There are a range of revision books available which can help support your daughter in studying GCSE Geography – and as a school we can buy at a significant discount.

Pearson have produced a series of three revision guides and workbooks targeted at supporting students in their preparation and revision for the Edexcel Geography B (9-1).

CGP also offer a revision book which acts as both a revision guide and workbook. Many students particularly enjoy CGP's style and delivery. Ultimately it will come down to personal preference and both offer an alternative, well-illustrated way to consolidate the content needed for the public examinations.

In light of upcoming summer exams subject we want to order these books as soon as possible for Year 9 & 10 students who are choosing Geography as an option. If your daughter would like to buy any copies copy of these books, please complete and return the slip below to the Finance Office and pay either via SCOPAY (our preferred option) or directly to the finance office with cash or cheques payable to Mayfield Grammar School, Gravesend. If paying by SCOPAY the amount will need to be adjusted to reflect the total cost of the books you would like to order. The deadline for this is Friday 29<sup>th</sup> March.

Yours faithfully,

Mr T Orr  
Geography Department
