

SEND Statement

At Mayfield Grammar School, Gravesend we work hard to ensure that each of our students who has an identified SEND (Special Educational Need or Disability) is well supported in order to ensure students continue to be successful in all aspects of school life. Currently we have very few students with an identified SEND.

Our SEND students are supported by Mrs Lee, our Additional Educational Needs (AEN) Co-ordinator.

Each of our students has an Individual Provision Sheet which is personalised and appropriate to the needs of the student at that point in time. Mrs Lee meets bi-termly with each student to discuss and monitor their progress. The agreed updates and developments are then shared with teaching staff and the student's parents.

A full SEND report is presented to the Governors on an annual basis.
