

**Year 9 Survival Top Tips**

|              |  |
|--------------|--|
| <b>Tip 1</b> | Learn and revise vocabulary regularly, approximately 20 words a week (10 to write from memory each week) |
| <b>Tip 2</b> | Always aim to use past time frames and future time frames in your speaking and writing                   |
| <b>Tip 3</b> | Listen to Chinese music and watch Chinese films and TV programmes on Netflix                             |
| <b>Tip 4</b> | Set achievable and specific learning goals with a time limit, 20 minutes a day                           |
| <b>Tip 5</b> | Challenge yourself to use complex grammar structures in your speaking and writing.                       |
