Litter duty: 9C Please collect the litter picks and black sacks from the Premises shed and report to your Learning Leader at the end of lunchtime.

Water: Please use the water stations around the school at break and lunchtime and remember to bring a bottle each day to minimise use of single use plastic bottles.

Recommended read from the English Department and available on the E library: *The Crossing* by Manjeet Mann (Written in verse and from a dual perspective) Observer WINNER OF THE COSTA

CHILDREN'S BOOK AWARD 2021 and the Sunday Times Children's Book of the Week – a trailblazing novel told in verse about two teenagers from opposite worlds; *The Crossing* is a profound story of hope, grief, and the very real tragedies of the refugee crisis. Natalie's world is falling apart. She's just lost her mum and her brother marches the streets of Dover full of hate and anger. Swimming is her only refuge. Sammy has fled his home and family in Eritrea for the chance of a new life in Europe. A twist of fate brings them together and gives them both hope. But is hope enough to mend a broken world? *'Skilful, involving and important, this deserves it's accolades'* The Sunday Times.

Reminders

Uniform: Coats should be worn in school buildings from this point forward. This is a reversal of a Covid rule which is no longer required. If you bring a coat to school you should take it off as you enter the building and place either in your bag, in your locker or carry it. You will be asked to remove a coat before you enter the canteen and queue for food. Your Learning Leaders will be reminding of this as well.

Punctuality: Please ensure that you keep a careful eye on the time throughout the school day.

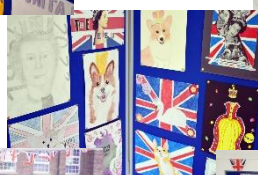

Entry to dining spaces: During break and lunchtime, please ensure you enter the dining space via the doors between the servery and Year 13 study area, exits are out to the Science Quad area or to the corridor by Mrs McBride's office.

Examinations – External: Please ensure you continue to observe 'No Entry' and 'Silence' signs to ensure all pupils sitting examinations have optimum conditions.

Safety in the car park: A reminder to all students that you should not be sitting in between the cars by the side of the science block (or anywhere else where cars are parked). Cars are driving into and out of the school site throughout the day and need to access the tennis courts safely.
