

Well done to 7C who, along with Mary from 8A, managed to raise £107.51 by undertaking this year's sponsored Readathon challenge. The money will be donated to Great Ormond Street Hospital.

Good luck to all our pupils during the current exam period.

Assembly theme

This week's Assembly theme:

Charity

Giving what you can to charity; it's not the size of the gift but the thought that counts; thinking of others; our school Fun Run.

World Environment Day

(Celebrated on June 5th)

Looking at the world environment; the destruction of the environment by mankind; conserving the environment.

Our School Environment

Please ensure all areas of school are left litter free.

Litter duty: 10W Please collect the litter picks and black sacks from the Premises shed and report to your Learning Leader at the end of lunchtime.

Water: Please use the water stations around the school at break and lunchtime and remember to bring a bottle each day to minimise use of single use plastic bottles.

Reminders

Entry to dining spaces: During break and lunchtime, please ensure you enter the dining space via the doors between the servery and Year 13 study area, exits are out to the Science Quad area or to the corridor by Mrs McBride's office.

Examinations – External: Please ensure you continue to observe 'No Entry' and 'Silence' signs to ensure all pupils sitting examinations have optimum conditions.

Examinations – Internal: All pupils in Years 7-10 and 12 please ensure you have the details of when and where each of your examinations are. When you move about the school please remember there are exams on at different times, so maintain silence.

Safety in the car park: A reminder to all students that you should not be sitting in between the cars by the side of the science block (or anywhere else where cars are parked). Cars are driving into and out of the school site throughout the day and need to access the tennis courts safely.
