

September 2021

Dear Parents and Guardians,

Meeting for New Year 12 Parents on Thursday 16th September 2021

Having entered the Sixth Form, your daughter/son has begun to settle into this new phase of their education.

In order to help you support your daughter/son through the Sixth Form, traditionally we would have invited you to attend an evening meeting at school during this early stage of their courses. The aims of this meeting are to:

- introduce you to your daughter/son's form tutor;
- explain the A Level system and its relevance to higher education and apprenticeships
- introduce the careers and higher education programme;
- clarify our expectations of the students and your role in helping them to meet these.

As we ease back into our normal routines, we will not, initially be holding large face-to-face meetings. We have therefore decided to create a digital booklet containing the information that would have been shared with you at this meeting which you will find attached.

We will also attach a copy of the Sixth Form Code of Conduct for you to read. Your daughter/son will have been given a hard copy of this document on the first day of term.

Please take the time to familiarise yourself with this information, and do not hesitate to contact me if you have any further queries.

Yours sincerely

Mr B P Slight
Learning Leader Year 12
