Dear Parent/Carer,

## Re: Year 7 Induction and Summer School

As you are aware, the intention has been to invite you and your daughter into Mayfield for a number of transition events. The purpose of which is to enable our new students to experience a little of school life at Mayfield prior to joining us in September and acquaint you with the school and relevant staff.

Unfortunately, we are writing to you to explain that in the light of last Monday's announcement from the Government and the recently updated Department of Education guidelines and in agreement with other local secondary schools. We are unable to host either the Parents' Induction Evening on the Thursday 1<sup>st</sup> July or the Induction Day for pupils on Friday 2<sup>nd</sup> July this year.

We would like to assure you that we will continue to support both pupils and parents/carers throughout this transition phase. We are currently in the process of adapting our transition programme to be delivered online and will update you in due course.

At this point in time we will continue with our planned Summer School on 26<sup>th</sup> July- 30<sup>th</sup> July. Pupils will attend for the entire week at Mayfield Grammar School with each day's approximate timing to be 9am-3pm. Our Summer School will provide opportunities to allow pupils to get to know their peers, along with the School and Staff. Pupils will be getting involved in a wide variety of activities that will help to develop various key skills including social skills, team building, English and Maths skills alongside aspects of our wider curriculum. We will provide further details of this in the letter that will inform your daughter of her languages, School House and Form Group, which will be sent out during the week beginning 28<sup>th</sup> June. With the assumption that we will be able to host this, please indicate your intention for your daughter to attend simply by completing the following short form:

Please can you complete this by Friday 25<sup>th</sup> June.
