Subject Coordinator of Economics & Business Studies

Full Time. Required from September 2022
Main Professional Scale, UPS
TLR2C (currently £2,873)

This is an exciting opportunity for an enthusiastic and committed Teacher of Economics & Business Studies to lead a committed team of staff in these popular subjects.

You will be joining a successful department within a high performing 11-18 selective girls' school with boys in the Sixth Form.

We are looking to appoint a well-qualified colleague on the Main Professional Scale or UPS who is flexible, highly motivated and creative with excellent subject knowledge.

The person appointed will receive high quality mentoring and support and there is also plenty of scope to be involved in a wide range of extra-curricular activities.

The school prides itself on its strong record of internal professional development and was judged by Ofsted to be 'Outstanding' in all categories of inspection in June 2013.

Further details and an application form are available from the Staff Vacancies section of the school website www.msgg.kent.sch.uk

Applications made via TES Online will be accepted.

CVs will not be considered and should not be submitted.

All applications with a covering letter addressed to Mrs E Wilson, Headteacher must be received by **1 p.m. on Thursday 23rd June 2022**

Interviews will be held shortly after the closing date

This school is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.

Mayfield Grammar School, Gravesend

Mayfield Grammar School, Gravesend is a selective girls' school with boys in the sixth form which is situated in the town of Gravesend, with easy access to the A2 and M25 and a direct rail link to Charing Cross. In February 2012 we converted to Academy Status and the school celebrated its Centenary throughout 2014/15.

The school occupies two sites. One houses the original 1926 building with its distinctive quadrangle and bell tower, surrounded by its playing fields. New Science, Technology and Dining facilities opened across 2020-2021. Our second site has specially designed facilities for Technology, Sports and Drama which opened in 1995. There is ICT provision on both sites and a new teaching block will open in September 2022 to house our Learning Resources Centre, Music, Multi-purpose Sports Hall, additional classrooms and specialist IT rooms.

The school is an 11-18 grammar school. Entry at age 11 is via the Kent 11 plus selection procedure comprising nationally standardised Verbal, Non-Verbal and Mathematics tests. The procedure allows admission of the top 25% of the ability range. An optional additional opportunity to assess eligibility for admission is available through the Mayfield testing procedure.

The school was judged to be Outstanding by Ofsted in June 2013. Ofsted reported that "achievement in all subjects including English and Mathematics is exceptionally high" and that "The behaviour of students is exemplary. They engage enthusiastically with their learning, are courteous, polite and keen to contribute fully to the life of the school".

We are an outward looking school determined to provide the highest quality education by capitalising on opportunities available to the school. We work as a team where the contributions of all the staff are equally valued. We place major importance on providing new staff with an effective induction into the school and all staff are constantly seeking to improve their professional practice through external and internal training. Governors, parents and the community are extremely supportive of the work of the school.

The Senior Team consists of the Headteacher, a Deputy Headteacher and five Assistant Headteachers. Curriculum Leaders lead their subject teams to ensure a high-quality teaching and learning experience for all our pupils. Pastoral care is led by an experienced team of Learning Leaders who work with Form Tutors and are supported by Key Stage Co-ordinators (AHTs). A House System was introduced in September 2020. Merit points are given to students during the year and the Aster Trophy is awarded to the House with the most points overall at the end of the academic year.

The teaching staff are supported by Administrative Staff in the main office, a Reprographics Assistant, a LRC Manager, Finance staff, an Assessment Officer, a Cover and Examinations Officer, Pastoral Support Managers, Learning Supervisor team as well as a team of Technicians. A Premises Manager, supported by two assistants, looks after the two sites.

The curriculum follows National Curriculum guidelines. All students have the opportunity to gain ten or eleven GCSEs at the end of Year 11.

There are circa 1319 students on roll, 320 of whom are in the Sixth Form.

From 2018, we expanded the Pupil Admission Number (PAN), to 180. For the last five years, the school has admitted above PAN, and from September 2021 we increased our PAN to 210.

Extra-curricular activities include a full sporting programme, choirs, orchestras and other club activities. A large number of students participate in the Adventure Service Challenge (Lower School) and the Duke of Edinburgh Award scheme (Upper School and Sixth Form). There are Conferences, the Graduation Ball and many other opportunities for students to participate in events outside their classroom studies. The school enjoys strong links with the local business community and runs a full Careers (CEIAG) programme. The school runs an extensive programme of trips and visits both locally, nationally and abroad for all year groups.

Mayfield Grammar School, Gravesend is a happy community where we foster excellent relationships between staff and students.

This is a non-smoking school.

Anyone interested in the school is welcome to visit our website at www.mgsg.kent.sch.uk

Upper School

GCSE Economics [OCR]

This course enables students to:

- develop an understanding of economic concepts and apply these concepts to real-life situations;
- interpret and evaluate economic data in order to make reasoned arguments and informed judgements;
- develop an awareness of economic change and its impact on developing and developed economies;
- understand economic issues, problems and possible solutions that affect mixed economies;
- participate effectively in society as citizens, producers and consumers.

Sixth Form

Economics A level [Edexcel]

Economics is often referred to as a 'real world' subject. The study of the subject helps to explain current affairs and much of what can be seen in the news. We discuss topics as wide and varied as: why the price of fuel is falling; what explains unemployment; the significance of globalisation; the growth of China; the impact of BREXIT and how the government make decisions about taxation and spending each year. After studying this course students will realise the impact this subject has on day-to-day lives and have a better understanding of what is heard and seen in the media.

A level Economics is a linear course and is divided into the following themes:

- Theme 1: Microeconomic theory – markets and market failure
- Theme 2: Macroeconomics – how the economy works
- Theme 3: Business behaviour and the labour market
- Theme 4: Global perspective

Business A level [Edexcel]

Business is a dynamic subject. Students learn about the diverse nature of business enterprise and the interdependence of the various parts of the business world. We explore business success and business

failure, investigate local, national and global business markets, and understand how businesses need to adapt and respond strategically to the changing environment in which they operate to survive and grow. This constant evolutionary process makes business a fascinating subject.

A Level Business is a linear and is divided into the following themes:

Theme 1: Marketing and People

Theme 2: Managing business activities

Theme 3: Business decisions and strategy

Theme 4: Global business
